California Traffic Control Devices Committee

(916) 654-4715

September 11, 2007

Members, Alternates and Observers
California Traffic Control Devices Committee (CTCDC)

The California Traffic Control Devices Committee will meet on October 11, 2007. The meeting will begin at 9:00 a.m. in the Maintenance Training Academies 4338 Dudley Blvd. Building 429 McClellan (Sacramento), CA 95652. Location map is enclosed.

There will be a workshop (start at 10:00 AM and same location) on October 10, 2007, one day prior to the regular CTCDC meeting to discuss the setting of "speed limit" on roadways in California. If you are interested in this topic, we encourage you to attend the workshop and the CTCDC meeting to provide your input. For detail, see agenda Item 07-16.

Also enclosed is the agenda with a brief summary of each item. The agenda can be accessed on the Caltrans website at the following address:
